# "Bro. Rev. Jesse Jackson Visits Beta Chapter"

*Bro. Jesse L. Jackson (center) with Bros. Frank "Tick" Coleman, Anthony Fairbanks, Christopher Curry and the Brothers of Beta Chapter.*

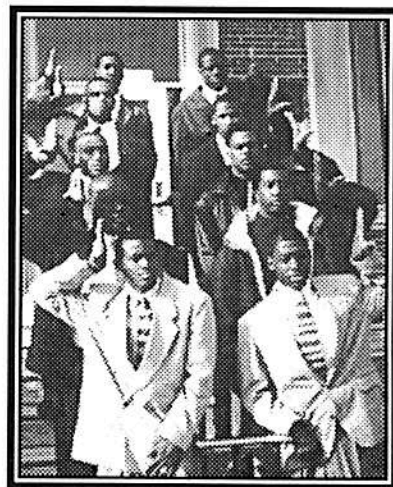

Lincoln, PA,-- November 5, 1997 was designated Rev, Jesse L. Jackson Day by Lincoln University. On this day, Bro. Rev. Jesse L. Jackson was honored by the university with The Icon of the Twentieth Century Award. This award was given to those individuals who have had a significant influence and impact in the African-American community. The brothers of Beta Chapter were there to greet Bro. Jackson as Bro. Christopher T. Curry (of Zeta Iota Iota (Second District Chaplain)), greeted Bro. Jackson at the airport (Philadelphia International Airport) on behalf of the Fraternity as well as the university. With Bro. Jackson arriving at the university he was given a warm welcome by Bro. Bertram L. Lawson, Jr. (Basileus of Beta Chapter) on behalf of the brothers of Beta Chapter. Bro. Jackson took the time to familiarize himself with the men of Beta Chapter and posed for pictures for the university and the chapter. Bro. Jackson was given a tour of the university by Niara Sudarkasa (President of Lincoln University).

The time then came for Bro. Jackson to receive his honor. The brothers of Beta Chapter "set it out" for Bro. Jackson by serving as host of the convocation. The brothers served as ushers, passing out programs and escorting distinguished guests to their seats. The program began with an invocation by Rev. James (Lincoln University's Chaplain) and proceeded as President Sudarkasa formally greeted

Bro. Jackson. Bro. Jackson was bestowed with several proclamations and citations from Thomas Ridge (the Governor Of Pennsylvania), Hardy Williams (Pennsylvania State Senator), W. Curtis Thomas (Pennsylvania House of Representatives), Edward G. Rendell (the Mayor of Philadelphia, presented by Estelle B. Richman), Clifford E. DeBaptiste (the Mayor of West Chester, PA), and Harold Gray (the Mayor of Oxford, PA.). Following the granting of citations, Bro. Dr. B. Marshall Henderson (faculty advisor of Beta Chapter) introduced the honoree Bro. Rev. Jesse L. Jackson. President Sudarkasa and Bro. Henderson presented Bro. Jackson with The Icon of the Twentieth Century Award. Bro. Jackson thanked the university for such an honor and thrilled the audience with his views on affirmative action and the breaking of the glass ceiling. After Bro. Jackson's address, the audience was led by none other than Bro. Dr. Frank "Tick" Coleman in the singing of Lincoln's Alma Mater.

At the conclusion of the convocation, Bro. Jackson gave a press conference and took the time to provide many admirers with photo opportunities. The brothers of Beta Chapter along with Bros. Christopher T. Curry and B. Marshall Henderson would like to once again thank Bro. Jackson for his visit to Lincoln University.

## SECOND DISTRICT CONFERENCE OMEGA PSI PHI FRATERNITY, INC.

NEW YORK NEW JERSEY PENNSYLVANIA DELAWARE MARYLAND

### *Office of The Second District Representative*

November 17, 1997

*"On Friday evening, November 17, 1911, three students present at the former meeting with Professor Just met for a further consideration of the matter of the fraternity. At this meeting, the Omega Psi Phi Fraternity was decided upon, also the motto and the cardinal principles upon which the fraternity was founded. The design for the pin and Escutcheon were also decide upon.*

*On that night, November 17, 1911, sacred to all Omega men, the Omega Psi Phi Fraternity was born. The four cardinal principles agreed upon at the meeting were manhood, scholarship, perseverance, and uplift. The motto, "Friendship is essential to the soul" was symbolized by the Greek letters that fully express the motto" (Dreer, 1940).*

Greetings My Brothers and Happy 86th Birthday!

At this time each year it is right that we as Omega men pause to give thought on our institution the Omega Psi Phi Fraternity, Inc. Eighty-six years of service and leadership to the community is possible only through the ingenuity of real men over the years dedicated to solid principles. We will be forever indebted to the scholarship of the founders, and the nobility in their characters, as they laid a solid foundation upon which we are able to proudly proclaim Omega as our own.

The legacy of Omega is one of respect; it is clear and without contradiction. Our history reads, in many ways, like the history of accomplishments by Black Americans to the United States. Because we had nerve, and because we assumed roles of leadership in the community, Omega men were always at the forefront of important social justice issues. In 1997 we need to continue this tradition of leadership and further commit ourselves to new challenges which lay ahead.

As we consider this fraternal year and the impending millennium change, there remains much in need within the Black community. We should always remember the needs of our youth. It is our duty to help them through mentorship and opportunities to create bright futures. We must use our collective ingenuity and resources to network effectively to improve the economic conditions of our people, thereby humanizing the entire spectrum of peoples around the world. We must also endeavor to rekindle the industry, as well as, the spirit of the founder's principles of Omega, that we might begin to reach the level of these and other aspirations.

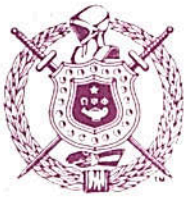

Finally my brothers, if you are reminded of nothing else this month, remember the value of perseverance. Eighty six years is a long time. Omega teaches us that through intelligent perseverance we can change the course of history and make all things wrong, right. Perseverance also reminds us to never, ever, ever give up; not on your cause, on your mission, nor on the Omega Psi Phi Fraternity, Inc. The Fraternity and its legacy belongs to all of us, please continue to do your part to advance us into the year 2000. May the Supreme Basileus bless your endeavors as you celebrate. ***Long Live The Omega Psi Phi Fraternity, Inc.!***

### "BETA CHAPTER Takes It To The Hole"

*"The Bomb Squad"  
Champions of the First Annual  
Omega Basketball Classic*

Are you sitting around wondering "Who's got next?" Well the brothers of Beta Chapter "have next!" as they hosted their "First Annual Above The Rim Tournament." On October 6-8, 1997, the brothers of Beta Chapter electrified the masses as they showcased the talent of many Lincoln University Basketball players. This six team single elimination tournament was open to all students and was held on the outdoor basketball court of Living Learning Center. With officiating duties being handled by Bros. Raymond Curry and Dwayne Grayson, many people came out to see three nights of spectacular basketball. The Beta brothers provided all with music and refreshments during each game while the championship game was highlighted as the brothers performed a step-show. The tournament finally concluded as the Bomb Squad defeated Harlem World to be crowned champions of the "Above The Rim Tournament."

### "BETA CHAPTER" Celebrates Achievement Week

Lincoln, PA - The Brothers of Beta Chapter observed National Achievement Week on November 17, 1997. The ceremony was held at Lincoln University in James Dickey Hall Auditorium. Beta Chapter was privileged to have Bro. Frederick Foard as their guest speaker.

The brothers of Beta honored Bro. Jamal K. Parker as their 1997 "Omega Man of the Year". Bro. Parker, a native of Baltimore, MD is a former Vice Basileus and is currently the chapter's Director of Public Relations. Jamal is also involved in Lincoln University's Biology Club, a member of Lincoln University's Bowling Team and President of the Pan-Hellenic Council. Other accolades Bro. Parker has received are 5-time member of Lincoln University's Dean's List, 3-time member of the National Dean's List, nominee of Who's Who of College Students, recipient of the Decosta Award, and a 2-time recipient of Lincoln University's Combined No. 1 Fund Scholarship.

*Basileus Bertram Lawson presents  
Dr. Judith Thomas with the 1997  
Basileus Award*

Beta Chapter's 1997 Citizen of the Year was Bro. Gerard A. Leotaud. Bro. Leotaud (a native of Yonkers, NY) is actively involved in campus activities.

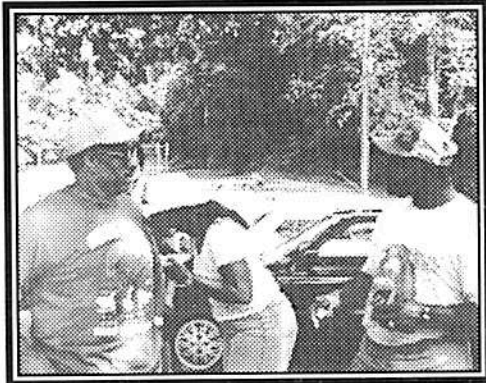

*Bro. Frederick Foard provides the  
audience with some insight into Omega*

Some of his activities include being an active member in both Lincoln University's Biology and Spanish Clubs along with being a member of the Lincoln University Tennis Team. Gerard is currently serving as the S.G.A. Treasurer and was elected "King of the Class of 1998". Along with being elected class king, Bro. Leotaud recently received the L.U.R.E. Fellowship.

The brothers of Beta also took time to honor two individuals that really exemplify community service. Dr. Judith A. Thomas was honored with the Basileus Award. Dr. Thomas' dedication to the students and activities of Lincoln's campus truly exemplifies the concept of uplift. The best was saved for last as Bro. Frederick Foard was honored for his participation in Beta's Achievement Week Celebration as well as his continual service to Omega.

# Mu Omega Always Keeps Omega Strong In Philadelphia

## Mu Omega Cruises The Delaware

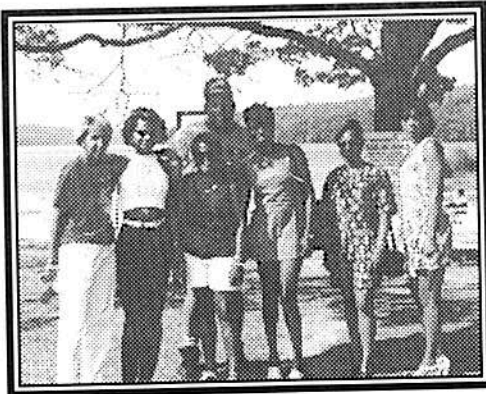

Philadelphia, PA -- On July 12, 1997, Mu Omega held it's annual boat ride. The festive activities were held on the "Spirit of Philadelphia". With a clear moonlit sky, 490 patrons partied until two in the morning. The activities began on the dock. The guests enjoyed good food, music and libations. The annual boat ride was held the night of the Famous Greek Picnic (which was initiated by Mu Chapter, Philadelphia) and only served to enhance an already gala and eventful day. All proceeds from the affair will go towards affording young students the opportunity to pursue a college education.

## Mu Omega's Reclamation and Retention Fulfills Its Mandate

Philadelphia, PA -- On July 26, 1997, Mu Omega's Reclamation and Retention Committee held it's first annual picnic. The picnic was for all brothers and family members. Each financial brother was given the mission of bringing an unfinancial brother to the picnic and hopefully to come back to Omega. The picnic lasted the entire day and on into the evening. There was plenty of food and libations for everyone (no brother left without a full stomach). There was approximately 200 in attendance throughout the day. Brothers and family members played volleyball, baseball cards, backgammon, and you know there was singing and stepping. The picnic's highly successful outcome was due to the hard work and dedication of the Reclamation and Retention chairman, Brother Claude Parker. Because of Brother Parker's dedication, Mu Omega's membership should increase greatly.

## Upsilon Phi Hosts It's Annual Picnic

Newark, NJ -- On August 2, 1997, Upsilon Phi Chapter hosted it's annual picnic. The event was held on the grounds of the Newark Water Shed in West Milford, NJ. Brothers, friends and family came out on a beautiful sun-filled afternoon to enjoy each other's company and good food. This year's picnic was chaired by Bros. Ennis Winston for the second consecutive year. Bro. Winston provided the brothers and guests with the traditional picnic foods such as hotdogs, hamburgers, baked beans, and potato salad. However, as a follow-up to last year's picnic, Bro. Winston also served up the best fried fish in the Second District. The fish was as popular as it was last year when the guests and brothers alike lined up to get their forks (and hands) on some. After the brothers and guests stuffed themselves, it was

time to work off some of that food by indulging in one of the many activities that were available. These included: fishing, volleyball, paddle boats, row boats, swimming, bid whist, or just relaxing. At the end of the day, brothers circled up and "kicked it" a little before closing out the picnic with a rousing rendition of "Omega Dear."

# Epsilon Pi Brothers In The Educational Limelight

Chester, PA -- At a special board of control meeting of the Chester Upland School District, Superintendent of Schools, Joseph Lapchick announced his choice to replace the outgoing Assistant Schools Superintendent for Instructional Services and requested a new assistant schools superintendent for administrative services. As usual, Omega Men were there to answer the call for service in the form of two Brothers from Epsilon Pi Chapter, Brothers **Robert Crawford** and **Dexter Davis**. The vote is in and both of these Brothers have hit the mark. Brother Crawford is now the Assistant Superintendent. Brother Crawford formerly held the position of Principal of the Toby Farms Elementary School and Brother Davis was the Principal of Smedley Middle School in the City of Chester. Brother Davis' position is a new position and as the administrative services leader, Dexter will oversee the district's transportation, food service, maintenance and data processing operations, as well as special assignments. Brother Davis was previously in charge of implementing the district's back-to-school readiness plan, which drew praise from Dr. Lapchick and others. State Representative Thaddeus Kirkland hailed both of the appointments stating that " Dr. Lapchick has lived up to his promise of reaching into the school district and not going outside the Community. Davis and Crawford are good examples, both in school and after school, for the students." Lapchick also stated "that these men are the two most gifted administrators he has ever worked with."
